BOCATECH *Switches*

BTRWPSW • Wiring Diagram

- Stainless Steel 316
- IP67/Ik08 rated - waterproof
- Mechanical life: 1,000,000 cycles
- LED Life: 40,000 hours
- Outer diameter: 19mm
- Contact resistance: 50mΩ
- Insulation resistance: 1000MΩ
- Electrical life: 50,000 cycles
- The LED can be read in direct sun light
- Vibration-resistant mechanism
- 4ft tin plated wires

C= COMMON used with Voltage+ or Negative- as needed
NO= Normally Open
NC=Normally Closed
